This nice terraced house is in the center of Hondon de los Frailes where you will find all the amenities.The house had been completely renovated with quality materials years ago but does not require any renovation.The house has kept all the cachet of the traditional houses. It is composed of a living/dining room with high ceilings, a corridor leading to the fitted kitchen with its breakfast area, storage room and wood burner heating the whole house. After the kitchen, you have a bathroom and a small summer lounge with access to the courtyard (patio).A wide staircase takes you upstairs where you have a bathroom, 3 spacious bedrooms, one with a balcony and one with a very large terrace.The house is sold fully furnished.
