Land with Caravan (freehold). We are very proud to offer for sale this lovely plot of land, with amazing views, and including a static caravan and 2.5kw solar system (upgradable), and mains water.

The plot has beutiful views across the valley, with castle views to one direction, and mountain views to the other. The plot is fully fenced with electric gates, and includes the static caravan on the photos. This is ideal for someone wanting space for the motorhome over winter, for example, due to the fact that the land cannot be built on - however, static caravans/motorhome etc is fine here.

Please watch the video for a short tour of the land and caravan.
