The apartment is fitted with tilt-and-turn uPVC windows and a contemporary kitchen, making it both practical and stylish. With four bedrooms, the property is perfect for a growing family or for those seeking extra space to work from home. Currently, one of the bedrooms is used as a storage room, and another has been transformed into a second living area—offering flexibility to suit your needs. The main living room opens onto a pleasant balcony with views across the town, providing an ideal spot to relax.

The building benefits from a lift, and the apartment includes a private storage room located on the rooftop—perfect for keeping seasonal items or additional belongings neatly tucked away.
