This country house is located in a natural setting, next to the mountains and just 7 kilometers from the town of Yecla. It has two bedrooms, two bathrooms, two dining rooms (one with a fireplace), a barbecue, a terrace, and a fully fenced property. It features a 30,000-liter pool equipped with a water treatment plant, solar panel electricity, and several water tanks that guarantee the home's water supply. The 12,800-square-meter property offers excellent views. Although it is not connected to the irrigation water network or the electricity grid, it has the necessary facilities for its full operation.
