This 6-apartment project in the centre of La Romana has already been approved. The project has to be started from scratch, but plans are available and the finished project would offer 6 flats. Each floor has a surface area of 184m<sup>2</sup> and comprises 2 flats (one with 2 double bedrooms and one with 2 double bedrooms and a single bedroom). Each flat also has a bathroom, a fully equipped kitchen and a living/dining room. For health reasons, this project could not be completed, but if you are looking for an investment for resale or rental, this project may be of interest to you. The building is located at the entrance of La Romana and everything is in walking distance.
